

Rev. (5/15)

		1?	
WHY?	Financial companies choose how they share your personal information. Federal law gives consumers the right to limit some but not all sharing. Federal law also requires us to tell you how we collect, share, and protect your personal information. Please read this notice carefully to understand what we do.		
WHAT?	The types of personal information we collect and share depend on the product or service you have with us. This information can include: Social Security number Income Account Balances Transaction History Employment Information Wire Transfer Instructions When you are no longer our customer, we continue to share your information as described in this notice.		
HOW?	All financial companies need to share customers' personal information to run their everyday business. In the section below, we list the reasons financial companies can share their customers' personal information; the reasons HSMP chooses to share; and whether you can limit this sharing.		
Reasons we can share your personal information			
Reasons we can share y	your personal information	Does HSMP share?	Can you limit this sharing?

What we do			
How does HSMP protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.		
How does HSMP collect my personal information?	We collect your personal information, for example, when you: Enter into an investment advisory contract Provide account information Show your government-issued ID Give us your contact information Make deposits or withdrawals from your account		
Why can't I limit all sharing?	 Federal law gives you the right to limit only: sharing for affiliates' everyday business purposes—information about your creditworthiness affiliates from using your information to market to you sharing for non-affiliates to market to you State laws and individual companies may give you additional rights to limit sharing. 		
Definitions			
Affiliates	Companies related by common ownership or control. They can be financial and nonfinancial companies. • HSMP has no affiliates.		
Nonaffiliates	Companies not related by common ownership or control. They can be financial and nonfinancial companies. • HSMP does not share with nonaffiliates so that they can market to you.		
Joint Marketing	A formal agreement between nonaffiliated financial companies that together market financial products or services to you. • HSMP doesn't jointly market.
